SPX'S PLASTIC BAG CHALLENGE!

We have collected over 250 pounds of plastic! Let's Keep It Going!

Attention ALL students, families, and teachers! Please support the St. Pius X Plastic Bag & Film Recycling Project by bringing your unwanted plastic to school. Acceptable plastic includes grocery, restaurants, department stores, and Ziplock bags, as well as case wrap, and bread wrap. All items must be clean and dry and should be placed in the bin at the front lobby beginning in December. Our goal is to help recycle 500 pounds of plastic to prevent it from polluting our local waterways and landfills. Thanks for your support!

TIS THE SEASON, FLU SEASON

Reminder for keeping your child home when sick to help keep the illness from spreading.

Do not send a student with a fever to school, and do not return them to school until fever-free for 24 hours without any medicine help (fever-reducing medicines include acetaminophen [Tylenol], aspirin [Bayer], ibuprofen [Advil or Motrin], or combination products like Pediacare, Dayquil, Triaminic,

Theraflu, etc). And please, do not give fever medicine and then send your student to school; it will wear off in 4 hours and you will have to come take your child back home anyway. Fever medicines mask illness symptoms--your child can still be contagious, passing illness along to others at school.

**NOTE: A normal core body temperature is 97-99°F (36.1-37.2°C), most accurately measured rectally or tympanically (ear canal). Oral and forehead temps are *not* reliable; we measure tympanically at school. Health Dept. and School policies require a student to be sent home if 100°F (37.8°C) or higher. Although 99-100° (37.2-37.6°C) can feel uncomfortable & make the forehead feel "warm," these are 'low-grade' temperatures, often due to non-illness, benign, or temporary causes, like under-hydration, intense concentration/stress, vigorous exercise/play, seasonal allergies/pollen, hot/humid weather, immunization reactions, etc. Fever of 102°F (38.9C) or higher requires medical attention for possible bacterial or viral illness, heat stroke, severe injury/trauma, etc; some medicines and diseases can also induce high fevers. (see school website *Health Topics for more info*)*

Repeated vomiting and/or diarrhea at any time indicates illness or infection; *keep your child home for at least 24 hours AFTER the last episode* to allow for adequate rest & recovery, and to reduce the spread of illness at school; call your Physician/Licensed Provider if illness symptoms persist.

A student diagnosed with Communicable disease and/or who misses 3 or more days of school due to illness or injury, must submit a Physician/Licensed Provider's Back-to-School clearance to RN *before* returning to class. Included diagnoses: Pink eye, Flu, Pneumonia, Strep throat, Ringworm, Impetigo, Measles, Chicken Pox, Whooping Cough/Pertussis, Tuberculosis/TB, Meningitis, Hepatitis, HIV/AIDS; complications of *or* prolonged Asthma, Diabetes, or Seizures; severe trauma/injury and/or surgery. Contact RN for accountability details & Back-to-School Clearance requirements.

Keep children home for *at least 24 hours* after the first dose of any prescribed antibiotic. Student may return thereafter, provided any remaining symptoms will be manageable at school.

REMEMBER TO RECYCLE YOUR PRINTER CARTRIDGES AT SPX

Did you know that St. Pius recycled 239 pounds of printer cartridges during the last school year? Millions of ink cartridges are thrown away each year. Since they are made of plastic and other eco-unfriendly parts, they can take more than 500 years to decompose in landfills. To help make a positive impact, you can recycle your printer cartridges at St. Pius. Simply bring your used inkjet or laser toner cartridges to Vice Principal Kolosky in the Front Office. Easy Peasy!

LUCINDA L. JASPER SCHOLARSHIP COMPETITION

The Lucinda L. Jasper Scholarship Committee and Board of Directors announce The 2019 Lucinda L. Jasper Scholarship Competition. For 26 years, the Fund has awarded two scholarships to an eighth grade student graduating from a Catholic elementary school to enter a Catholic high school. The scholarships awarded are \$1,750.00 for first place and \$1,250.00 second place. For an application packet, visit our website after January 15, 2020, <http://www.lljsf.org/>, which contains the application form, school report, teacher recommendation, the criteria, and details for 1500-2500 word essay. Submissions can be made only online. All materials (application form, essay, school report and recommendations) must be successfully submitted online no later than 11:59 pm March 31, 2020. It is important that the teacher recommendation and school report be submitted on time. An applicant's submission is not considered complete without these forms and the student will be disqualified without them.

Previous years' winners have attended Holy Cross, St. John's College High School, Georgetown Visitation, Bishop McNamara, Gonzaga College High School, Our Lady of Good Counsel, Elizabeth Seton and Archbishop John Carroll. Winners will be announced the first week of May 2020.

DOWNLOAD THE BOX TOPS APP & LET'S RAISE MORE FUNDS

Box Tops has a new app, and it's simple to use! Just download the app, select "St Pius X School" as your school, and help us raise funds! Have your family and friends, in town or out of town, download the Box Top app and help St. Pius meet our goal of \$1000.

From now on, when you see this label, use the new Box Tops app to take a picture of your receipt. The app will then automatically find participating products purchased at any store and instantly add cash to our school's earnings online.

Traditional Box Tops clips are being phased out, but still clip them and send them to school! Box Tops

are still worth 10¢. Every bit counts! Thank you!

News from the School Advisory Board

Thank you to all parents, students, faculty and the administration for your assistance in hosting another successful Open House!

Our next Coffee meeting is for parents and guardians of 2nd and 3rd grade students on February 11th from 5:00 PM – 6:00 PM in the School Library.

Please do not bring children as childcare is not provided. Concerns related to your individual child(ren) should be discussed with teachers or administrators in another setting.

WINTER IS COMING!

In case of an emergency or severe weather, we will follow the decision of the Prince George's County Public Schools. However, if Prince George's County Public Schools begin late (whether one or two hours) on a scheduled half-day, St. Pius will NOT dismiss at 1:00 P.M., but at 3:00 P.M. Whenever school closes early, all after-school activities and meetings are cancelled. ESP (after care program) will operate on a modified schedule. For example, if school closes two hours early due to severe weather or other emergency, ESP will close two hours earlier than the normal time of 6:00 P.M.

Please listen to television and radio reports for all school closings or late openings. We recommend that you check www.wtopnews.com, if possible, during inclement weather since WTOP's website typically has the most complete list of closing information. You may listen to WTOP on the radio at 103.5 FM. Also, you may check School Announcements on our website. PLEASE DO NOT CALL THE SCHOOL. If school closes early for any reason, please wait until the announced dismissal time to pick up your children. It is very disruptive to the teacher and other students when numerous children are being called from the classrooms for early dismissals.

CELL PHONE ALERTS FOR SCHOOL CLOSINGS: There is a service allowing you to receive emergency notifications directly on your cell phone anytime an alert is posted by the public school system. This is for the county public schools, but we do follow the decision of Prince George's County Public Schools in case of an emergency or severe weather. You may sign up at <https://public.govdelivery.com/accounts/PGCPS/subscriber/new> There is a cost to receive text message alerts, but email notifications are FREE. This is a very convenient and reliable way for you to receive emergency alerts and you won't need to call the school to check if we are closing.

The telephone broadcast system that we use at St. Pius X Regional School enables us to notify all households and parents by phone within minutes of an emergency or unplanned event that causes early dismissal, school cancellation or late start. NOTE: Because we follow the decision of the Prince George's County Public Schools in the event of inclement weather, we do NOT use this service to announce such events when PGCPS system is in session. The service may also be used from time-to-time to communicate general announcements or reminders. When used, the service will simultaneously call all phone numbers in our parent contact lists and will deliver a recorded message from a school administrator. The service will deliver the message to both live answer and answering machines.
