

June 2019

Dear Incoming 4th Grade Families,

In an effort to keep students focused on math during the summer months, we are assigning some IXL practice for review for our incoming 4th graders. Regular math practice during June, July, and August can help children to avoid learning loss over the summer and be ready to continue building on skills in 4th grade. Students will log into IXL using the same login information they have used throughout this school year.

Parents - please monitor your child as he/she completes the lessons we have assigned below **from June 11th-August 26th**. The lessons should be completed over the summer even if they were already completed during 3rd Grade. We expect students to work to achieve a minimum Smart Score of 80 on each individual lesson. Once your child completes the required sections below, he/she is encouraged to work beyond these sections for further practice as time permits.

Required Lessons:

**3rd Grade Lessons (for review purposes)**

<https://www.ixl.com/signin/stpiusxrs>

<b>Section F - Multiplication Skill Builders (3rd grade)</b>	<b>F.1, F.2, F.3, F.4, F.5, F.6, F.7, F.8, F.9, F.10, F.11, F.12, F.13</b>
<b>Section G - Multiplication Fluency (3rd grade)</b>	<b>G.3, G.4, G.7, G.8</b>
<b>Section J - Division Skill Builders (3rd grade)</b>	<b>J.1, J.2, J.3, J.4, J.5, J.6, J.7, J.8, J.9, J.10, J.11, J.12</b>
<b>Section K - Division Fluency (3rd grade)</b>	<b>K.10, K.12, K.15, K.17</b>
<b>Section M - Mixed Operations (3rd grade)</b>	<b>M.7, M.8, M.9, M.10</b>
<b>Section P - Estimation / Rounding (3rd grade)</b>	<b>P.1, P.2, P.7, P.10</b>

\* Please pace yourself as you complete this work **from June 11th-August 26th**. These completed sections will be counted as first quarter assignment grades for 4th grade.

Enjoy your summer vacation! We look forward to seeing all of you in late August!

God bless you,  
The St. Pius X 4th Grade Teachers
