

SPONSOR LETTER SPX 2020 MATH-A-THON

Dear Family, Friends, and Corporate Sponsors,

I attend St. Pius X (SPX) Regional School and will be participating in the school's Math-a-thon during the week of November 16, 2020. Will you please consider sponsoring me by pledging a donation for each problem that I answer correctly? There will be a range from 20 to 50 math problems for me to solve. You may also pledge a flat sum if you prefer.

This event is a fun way for me to improve my math skills. I will notify you of my scores when I finish the Math-a-thon. All the money I raise will go toward improving technology and enrichment activities at my school. All donations must be turned in online at <https://www.stpiusbowie.org/parents/link-shop-earn/math/> by a parent, guardian, or sponsor. The last day to submit donations online is November 20, 2020. Thank you very much for your support!
