Dear Parents/Guardians of Incoming 2nd Graders,

This year we are assigning your student **mandatory** IXL work to do over the summer. Each child is receiving an IXL login and password from the school. Again, while we want you to enjoy your summer, we cannot stress the importance of your child staying current on their skills. We recommend not waiting until the end of the summer to complete this work. The work will receive a grade when 2nd grade begins. The dates that this needs to be done are between June 11th – August 26th. **Do not begin before June 11** – the IXL accounts are being reset and all work will be lost!

The work is done in the 1st grade IXL level!
