SUMMER IXL AND READING

In order to keep students engaged in learning and flexing their “mental muscles”, St. Pius X has required reading and math assignments for students to complete over the summer. Summer work is to be completed between June 15th and August 25th. Click [here](#) for Summer Work information. Please be advised any IXL Math work that is done before June 11th will be erased.

Health Corner - Immunizations Reminder

ALL students entering Kindergarten need to have 2 MMR and 2 VARICELLA on file prior to the first day of school August 31, 2020. ALL students entering 7th grade need to have MCV and TDAP vaccines on files prior to the first day of school August 31, 2020

If your child’s immunizations are not up to date please schedule an appointment and let the nurse know when your appointment is scheduled for.

Please ensure your child’s immunization record is uploaded to TADS, or send a copy of their record to the nurse Meghan Benson at mbenson@stpiusbowie.org

Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.

2020-2021 SCHOOL SUPPLY LISTS

School supply lists for 2020-2021 school year will be posted on June 15th on our school website. Click [here](#) for our School Supplies for 2020-2021

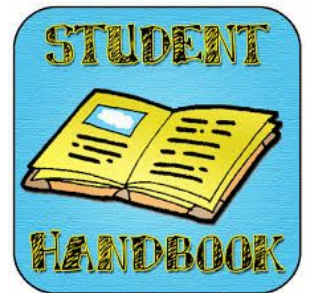

2020-2021 CALENDAR

We have “Gone Green” and parents have access to the school Google calendar. The SPX Google Calendar is located on our school homepage, and at <https://www.stpiusbowie.org/school-life/calendar/>. On the calendar website, you can add the calendar to your own Google account/calendar, change the view, and print a copy. Each month a calendar of events for the next month will be sent home given the uncertain nature of school events right now.

PARENT STUDENT HANDBOOK

Parents will receive their hard copy 2020-2021 Parent Student Handbook on Supply Pick Up day August 27th . Parents may also find the handbook on our website under the School Life tab (posted after August 27th). This handbook is one of the most important pieces of information you will receive. We advise parents to read the book from cover to cover and familiarize themselves with our policies and procedures. It is especially important in the first few weeks of school to understand our arrival and dismissal policies as well as our late arrival/ early dismissal, and emergency closing policies. There will be a digital acknowledgement form sent to parents on August 27th for the Parent Student Handbook which is due by September 4th.

EARLY DISMISSAL POLICY

Students will be given both a full day and early dismissal day schedule on August 27th. We will still be following the calendar for full days and early dismissal days, so please stay up to date on which days are designated for either style.

MIDDLE SCHOOL CHROMEBOOK MEETING-AUGUST 25 @ 7PM

We will be holding a Mandatory Middle School Parent meeting on August 25th at 7pm via Zoom. We are utilizing Zoom to ensure that everyone can attend without using your students’ Google accounts to access Google Meet. Zoom meeting information will be sent out next week via email. In this meeting, information about the Chrome book agreement will be shared. The Chrome book Agreement will be sent home electronically on August 20th for your review. We are then asking for your acknowledgement signature on August 27th during Supply Pick Up times or you can print, sign and return the last page of the agreement. If you

have any questions, please contact [Mrs. Snyder](#).

VIRTUAL FAMILY MEETINGS - AUGUST 25-AUGUST 26

On August 25th-26th, each teacher/grade level will conduct Virtual Family meetings. These meetings are intended to introduce you and your children to their teachers and to get to know one another a little better. Parents/Guardians and students are expected to attend these virtual meetings using the student's Google Account access. Teachers for PreK3-5th grade will set up their virtual family meetings with you via email. Teachers for 6th-8th grade will have a Sign Up Genius for parents/families to sign up as they wish for who they wish to meet with. The Sign Up Genius will go live on August 20th. The link to access the Sign Up Genius is:

NEWS FROM THE FINANCE OFFICE

- Tuition and ESP payments must be paid on or before the due date each month. Failure to do so will result in withholding a student's progress report, report card, academic record, yearbook, etc.
- If your tuition and/or ESP account becomes overdue by 30 days, your child(ren) may not attend school until it is paid in cash or certified funds in the school office. If payment is made directly online to TADS, it must be paid 7 days prior to this 30-day deadline, so that the funds have time to clear the bank.
- There is no need to call us to confirm the status of your account; we see the same information as you on TADS. If your TADS account shows the payment was made and nothing is past due, then you are in good standing.
- Thank you to the many families who do pay their tuition on time each month! We truly appreciate it! As a token of our appreciation, a prize will be awarded to one family at the end of the year from all who have kept their tuition current every month all year! It is very time consuming to track down families to make their payments. We ask for your cooperation and understanding with this

YOU SHOP AND WE GET PAID - HELP US EARN \$\$

Your shopping can help St. Pius X earn money! These fundraisers bring in thousands of dollars to our school each year and don't cost you a cent. Thank you to those families who participate in these fundraisers now. Your efforts are much appreciated! Thank you in advance to those families who will follow the simple steps below to begin participation.

AMAZON SMILE REWARDS PROGRAM: You probably already shop online at Amazon, and now you can help support SPX simply by using the special link here. [Shop on Amazon.com](#). Our unique School Rewards link will take you directly to Amazon, where you can browse and shop just as you normally would. Each month, Amazon will pay us 5% or more of all purchases made by shoppers who reached Amazon through our link. Please support us by bookmarking this [link](#) in your internet browser - then making it the first link you click each time you shop at Amazon. And be sure to pass it on to your friends, family, neighbors, acquaintances, and anyone else who might like to help us raise funds by shopping at Amazon.

BOX TOPS FOR EDUCATION: This program allows our school to collect box tops/labels of food and

household products and redeem them for cash. Simply check the items you buy at the grocery store/ Target/Wal-Mart for Box Tops for Education labels. You will find the labels on dozens of different types of products like: food/drink, paper products, office supplies, cleaning supplies, food storage, tableware and many more. Once purchased, please cut the labels off and return them to school. Don't forget to check the expiration date, as we cannot get credit for expired labels. We will earn 10¢ for every label. St. Pius X can also earn cash

from Bonus Certificates, which can be found primarily in stores on specially marked packages and at checkout printed on a receipt. These vary on value based on the promotion. Bonus codes begin with the letter A. Also look for eBox Tops Codes, which are a 16 digit eBoxTops code that is printed on the product. You would be surprised at how many products you buy every day carry a Box Tops for Education label.

HARRIS TEETER 'S TOGETHER IN EDUCATION PROGRAM: This programs translates your spending at Harris Teeter to rewards for SPX. We need YOU to register and it's easy and it's FREE. Simply give the cashier our code, 4154, and your VIC card when you check out and your card will be linked for the entire school year. That's it! You only have to link your VIC card once each school year. Once your card is linked, St. Pius X Regional School will receive a percentage of your Harris Teeter brand (Harris Teeter, H.T. Traders, Harris Teeter Organics, HT Farmers Market and purchases in the HT Pharmacy) purchases credited back to our account. This program does not interfere with your VIC savings or cost you any money! Don't forget to link your VIC card to our account code next time you are shopping at Harris Teeter.

Your purchases at Amazon Smile, Box Tops and Harris Teeter this holiday season (and all year long) will directly support our school! Thanks in advance for your help.

Parent Spirituality

So how are you *really* doing? Our 1st quarter plan for distance learning was almost guaranteed to come with a sigh of relief to some and as unwelcome news to others. But let's face it - anything short of going back to pre-Coronavirus times was going to disappoint parents, students and faculty. So, as a parent, how are you personally coping with the news?

It may be helpful to remember that when we face unwelcome news (or major change) we often go through various stages - denial, bargaining, anger, sadness, and ultimately acceptance. While these stages are often used to describe grief, we go through them all the time - not just for major life losses, but ever so quickly for life's minor annoyances, and for everything in between. While going through these stages is normal, if you find yourself stuck in just one of the stages, it's time to reach out for help.

If you are struggling, I'd encourage you to name as specifically as possible whatever losses you may be feeling. These may be losses that directly impact you or may be losses you are feeling on behalf of your child. We teach the kids all the time that whenever we are having a rough time, we need to share that with Jesus. And then we need to remember that God is in control, that God has a plan, and that God walks with us every day. So pray and ask Jesus to help guide you in these uncharted waters as a parent and to help you cope with those losses. Then find someone to share those feelings with - not to debate the decisions that have been made - but just to deal with those losses. The clarity of simply naming what you are feeling can be very healing, and God expects us to lean on each other.

Once you have figured out your own feelings about this, you will be better able to help your kids cope. Realize that your attitude matters. Even if you aren't excited about this, you need to be positive for your children. Next, listen to your kids' feelings and find out what they are most concerned about. Once your child has named their biggest concerns, take the opportunity to help them bring these concerns to Jesus in prayer. Beyond just calming their fears, you will be teaching them how to rely on Jesus.
